1. **Crossover** isn't anything new in **marvel verse**. One such crossover happened in **Marvel Team-ups(vol#3) #14** where **Spiderman** teamed up with **another teenage superhero X**. **X** has his **own** comic series and **shares his name** with the name of the comic series. **X's** power is **inherited from his father** who turned out to be **antagonist** in the first **season** of **animated web series** adaptation of comics released in **2021** on a popular **OTT platform**.

Answer: - who is **INVINCIBLE**?

2.X is an **American superhero black dramedy comic series** created by writer **Garth Ennis** and artist **Darick Robertson**. The series was initially published by **Wildstorm Productions**, an imprint of **DC Comics**, **until the sixth issue**, when the book was **cancelled** and the rights to the story and characters were reverted to the creators, allowing them to continue the series through an independent, lesser-known comic publisher, **Dynamite Entertainment**, starting with the **seventh issue** continuing through to the **seventy-second**. The focus of the series was exploring a world where **power corrupts the superheroes** as they become the very thing the superheroes are not supposed to be. **The comic also had a live action adaptation of the same name in 2019.**

Answer: - who are **THE BOYS**?

3. In **marvel's House of M #7**, **Scarlet Witch** after losing control of her power unknowingly killed various heroes such as Hawkeye, Vision and Antman. When the rest of Avengers and **X-men** were heading to Wanda's place. They were pulled into a different **idealistic reality** where **mutants were the dominant force**. Only **Wolverine** was aware of this change. So, he gathers allies again and **confronts Wanda again**. In the twist, it was revealed that **Quicksilver** asks Wanda, his sister to do so because **he thought superheroes were going to kill her**, **Magneto** after understanding this **kills his own son** and **Scarlet Witch in her grief decides to end it all** by using her powers and uttering "_____" (three words) and depowers all the mutants.

ANSWER:

What Is "No more mutants"?

4. Being one of the strangest places in marvel multiverse, **X** is a **dimension** made up of **antimatter**, first introduced in **FANTASTIC FOUR (1961) #51**. It is a universe of its own just parallel to earth. Anyone or anything that moves from one universe to the other must **reverse its polarity** on a molecular level or be instantly **annihilated**.

This dimension was later properly explored in ***Fantastic Four Annual #6***, when **Mr. Fantastic** travels to X to take '**Element X**'(the element not the name of dimension) from the hands of **Annihilus** , **the insectoid ruler of X** to save the life of **Invisible girl** and their unborn child.

ID X.

Answer: - **what is a negative zone?**

5. **DC** has always loved their **pranksters**, one of the such examples is a **fifth dimensional imp** introduced in **Superman(1944) #30** called **X** who loves to pester superman with his annoying pranks using his higher dimensional technology which is akin to **magic** in the eyes of third dimensional creatures. Only way to send off **X back** to his dimension is to **make him spell his name backwards**. Though, **Batman** also has his fifth dimensional imp counterpart called **Batmite**. he also has same **nigh-omnipotence** and **endless magic** minus the **weakness** of **X**.
